PROFILE

Computer Science undergraduate with hands-on experience in Python, SQL, data analysis, and backend development. Skilled in building practical applications with Flask, Streamlit, MySQL, Pandas, and NumPy, with strong foundations in Data Structures, OOP, DBMS, Operating Systems, and Computer Networks. Completed a Data Analyst internship involving data cleaning, dashboard development, SQL, validation, debugging, and analytical reporting. Interested in software engineering, backend development, AI-driven applications, and data-focused solutions.

TECHNICAL SKILLS

Languages	Python, Java, C++, C, JavaScript, SQL
Frameworks / Libraries	Flask, Streamlit, Pandas, NumPy, Matplotlib, Seaborn
Databases / Tools	MySQL, Git, GitHub, VS Code, Linux (Ubuntu)
Core CS	Data Structures, OOP, DBMS, Operating Systems, Computer Networks
Strengths	Problem Solving, Analytical Thinking, Communication, Teamwork, Leadership, Adaptability

EXPERIENCE

Data Analyst Intern May 2026 – June 2026

ThinkNext Technologies, Mohali, India

- Analyzed, cleaned, and processed datasets using Python, Pandas, and NumPy to extract meaningful insights.
- Created interactive dashboards and visualizations to support data-driven decision-making.
- Used SQL/MySQL to query, manage, and organize structured data efficiently.
- Performed data validation, debugging, and troubleshooting to improve data accuracy and workflow reliability.
- Collaborated with mentors to document findings, present analytical results, and deliver project reports within deadlines.

PROJECTS

AI Study Assistant | Python, Streamlit

Built an AI-powered study assistant that turns study notes into summaries, quizzes, and flashcards to support structured learning.

Sales Data Analysis Dashboard | Python, Pandas, NumPy, Matplotlib, Seaborn, SQL, Streamlit

Developed an interactive dashboard to analyze sales performance; cleaned and processed datasets, performed exploratory data analysis, and visualized sales trends, top-performing products, regional performance, customer behavior, and revenue growth.

College Event Management System | Flask, MySQL

Developed a web-based event management platform with authentication and registration features for managing college events.

EDUCATION

Bachelor of Engineering (Computer Science Engineering) Expected May 2028 | CGPA: 7.02

Chandigarh University

Class XII (CBSE)

2024

Shishu Niketan Model Sr. Sec. School, Chandigarh

Class X (CBSE)

2022

Shishu Niketan Model Sr. Sec. School, Chandigarh

ACHIEVEMENTS & ACTIVITIES

- Intern of the Month — ThinkNext Technologies — June 2026, recognized for high-quality work, analytical and problem-solving skills, and effective team collaboration.
- Participated in college coding competitions and hackathons.
- Active member of YCC Society at Chandigarh University.
- Participated in AI Fest with a focus on robotics events.

LANGUAGES

English (C1 Advanced) | Hindi (Native)
